The only one that mattered this week! No, not Stanners talking about the time an apple fell from a tree next to the pitch he was playing on in 1972 but the champions Meads 2's.

Champions Champions Ole Ole Ole!!!!!!!!!!!!

There is nothing like winning the league title on the last day of the season, against all the odds and also by goal difference!

It's been a rollercoaster season, which has to go down as one of the most exciting in amateur football history! Two cup finals, a semi-final and league winners.... They don't come more action packed than what has happen this season.

There will be a full season debrief coming out in a few weeks' time, however I just wanted to take a moment to thank all the players that played for the 2s this year (there were 50, yes 50 of you.....) and an even bigger thank you to the lads who were there throughout the season. From the very first game where we won 5-4 away to Tenisonians, you knew it was going to be a crazy, exciting and ultimately successful season!

* Adjustment made

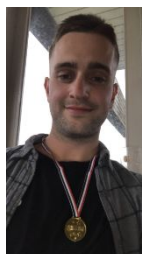

Whilst the main club awards night is this Saturday (do not miss it, as it's a great night) the OMFC 2's Awards Evening took place at the club house last Saturday. It would be a shame not to share the winners of these awards with the whole club. We take this very seriously in the 2s and there was no expense spared on the trophies, the awards ceremony was even streamed live to the world via Instagram..... Where 1000's of people around the globe turned in, no seriously we streamed it live!!!
